Related product: [Super sodium humate](#)

**Main Function**

1) For animal feed additive: *Sodium humate* will help intestine mucosa cells to avoid toxics. Most important it has good effect to absorb toxins and heavy metals from protein. Stabilize intestinal flora and to enhance animal growth to stimulate the immune system.

2) Industrial binder: work as binder for coke, coal, other metal powder.

**Uses**
1) Feed additive: Chickens, geese, ducks and turkeys, mix 0.3-0.5g of sodium humate per kilo of feed.
2) Industrial use: according to the specific working condition.

**Package**

25 kg woven bags with liner inside.
jumbo bags with bottom dischargeable.
